## Section 2 — AI Training Consent

By initialling below, you confirm that:

- You are the subject in the images provided, **or** you are the legally authorised representative of the subject named above
- You have the right to grant permission for these images to be used for AI model training
- You understand that the images will be used to train a custom LoRA model and will not be shared publicly or sold
- You understand that the trained model will be delivered exclusively to you (the client) and will not be distributed to third parties without your written permission

- You consent to loratraining.studio retaining a working copy of the model for quality assurance purposes only

### Section 3 — Social Media & Portfolio Consent

*(This section is optional. You may consent to AI training above without consenting to portfolio use.)*

By initialling below, you grant loratraining.studio permission to:

- Portfolio use** — display selected AI-generated outputs on our website gallery as examples of our work
- Social media use** — share selected AI-generated outputs on our social media accounts (Instagram, LinkedIn, and similar platforms) to showcase our services
- Case study use** — reference your project (without identifying personal details) in written case studies or testimonials

#### Conditions applying to all social media use:

- We will not share your name, brand name, or any personally identifying information without a separate written agreement
- You may withdraw social media consent at any time by emailing [hello@loratraining.studio](mailto:hello@loratraining.studio) — we will remove content within 5 business days
- Outputs shared will be clearly identified as AI-generated

Initials: \_\_\_\_\_ Date: \_\_\_\_\_

### Section 4 — What We Will Not Do

We confirm that loratraining.studio will never:

- Use your images or likeness to train models for any purpose other than your project
  - Sell, license, or distribute your source images
  - Use your likeness in outputs that are defamatory, sexual, politically sensitive, or otherwise harmful
  - Share your dataset images publicly under any circumstances
-

## Section 5 — Governing Terms

This consent is governed by the laws of [your jurisdiction]. Any disputes will be resolved by mutual agreement in the first instance.

This form does not constitute a full service agreement. A separate project brief and payment terms apply.
